THANK YOU FOR YOUR PURCHASE!

I APPRECIATE YOUR SUPPORT.

I'm Karen.

I'm a school-based SLP with experience in pediatric outpatient settings. That's where I worked when I started my TpT store, hence the name, "Pedi" Speechie. Pedi is short for pediatrics!

I'm obsessed with correcting lisps and vocalic /r/ errors, and have taken Orofacial Myology coursework. I also love working on skills like grammar, sentence structure, and following directions.

In my spare time, I love hanging out with my family. I'm a mommy of two, which means I'm always doing laundry. I live in Ohio and I'm always cold.

Product **INFO**

This resource incorporates **basic grammar** and **morphological awareness**.

Print verb task cards and sorting mat. I have included both color and low ink, and picture-supported and text-only options for the verb task cards.

Your student will sort the task cards on the sorting mat. They will first choose the correct past tense suffix (-d, -ed), then practicing saying the past tense verb ending sound correctly (sounds like /t/, sounds like /d/, sounds like "id").

I hope your students enjoy this resource! Please don't hesitate to email me with questions!
